

**2025**

**Idaho Financial Literacy Coalition  
Sponsor a Teacher**

By sponsoring a teacher to attend the national JumpStart conference, you empower Idaho educators with essential financial literacy skills to meet new legislative demands. Each teacher shares their knowledge with others, creating a ripple effect that benefits thousands of children. Your sponsorship covers conference costs and travel. This is a meaningful investment in Idaho's education system and the financial literacy of its students.

**Scholarship**

**\$2,500**

- Co-Branded Content: Collaborate on creating social media posts, blogs, and public announcements that highlight your nominated teacher's experience and the impact of your scholarship.
- Website Visibility: A hyperlink on the IFLC website directing visitors to your company or your financial literacy resources.
- Newsletter Feature: Inclusion of your company in our newsletter, showcasing your support and commitment to financial literacy education.
- Exclusive Access: Permission to share your financial literacy program and contacts with the selected teachers.

**Idaho Financial Literacy Coalition  
Mission Statement**

The Idaho Financial Literacy Coalition unites financial wellness experts to enhance, encourage, and empower financial well-being and long-term sustainable wealth for Idahoans.
